The Nazca Lines Map created by UNESCO World Heritage Center 1994 – 3 main points 5/28/2018 Ryushin

The Nazca Lines are hundreds of intelligently drawn lines in the middle of the Nazca Peru desert. They are allegedly over 2,000 years old, if not older. They stretch across the desert for 132 miles. They are accompanied by geoglyphs or pictograms within the lines. It is said that aborigines drew them. This map was created in 1994 by The World Heritage Site by UNESCO.

In March of 2018, I printed out the map and put them on my desk. The next day, I picked them up and circled the three main points and instantly knew it was the star constellation Orion. Although I was wrong about the first configuration, I was correct with it being Orion. That day, I renamed them “The Orion Lines” because that’s what they truly were. It would take me 5 models, a year and a week in order to get the correct configuration.

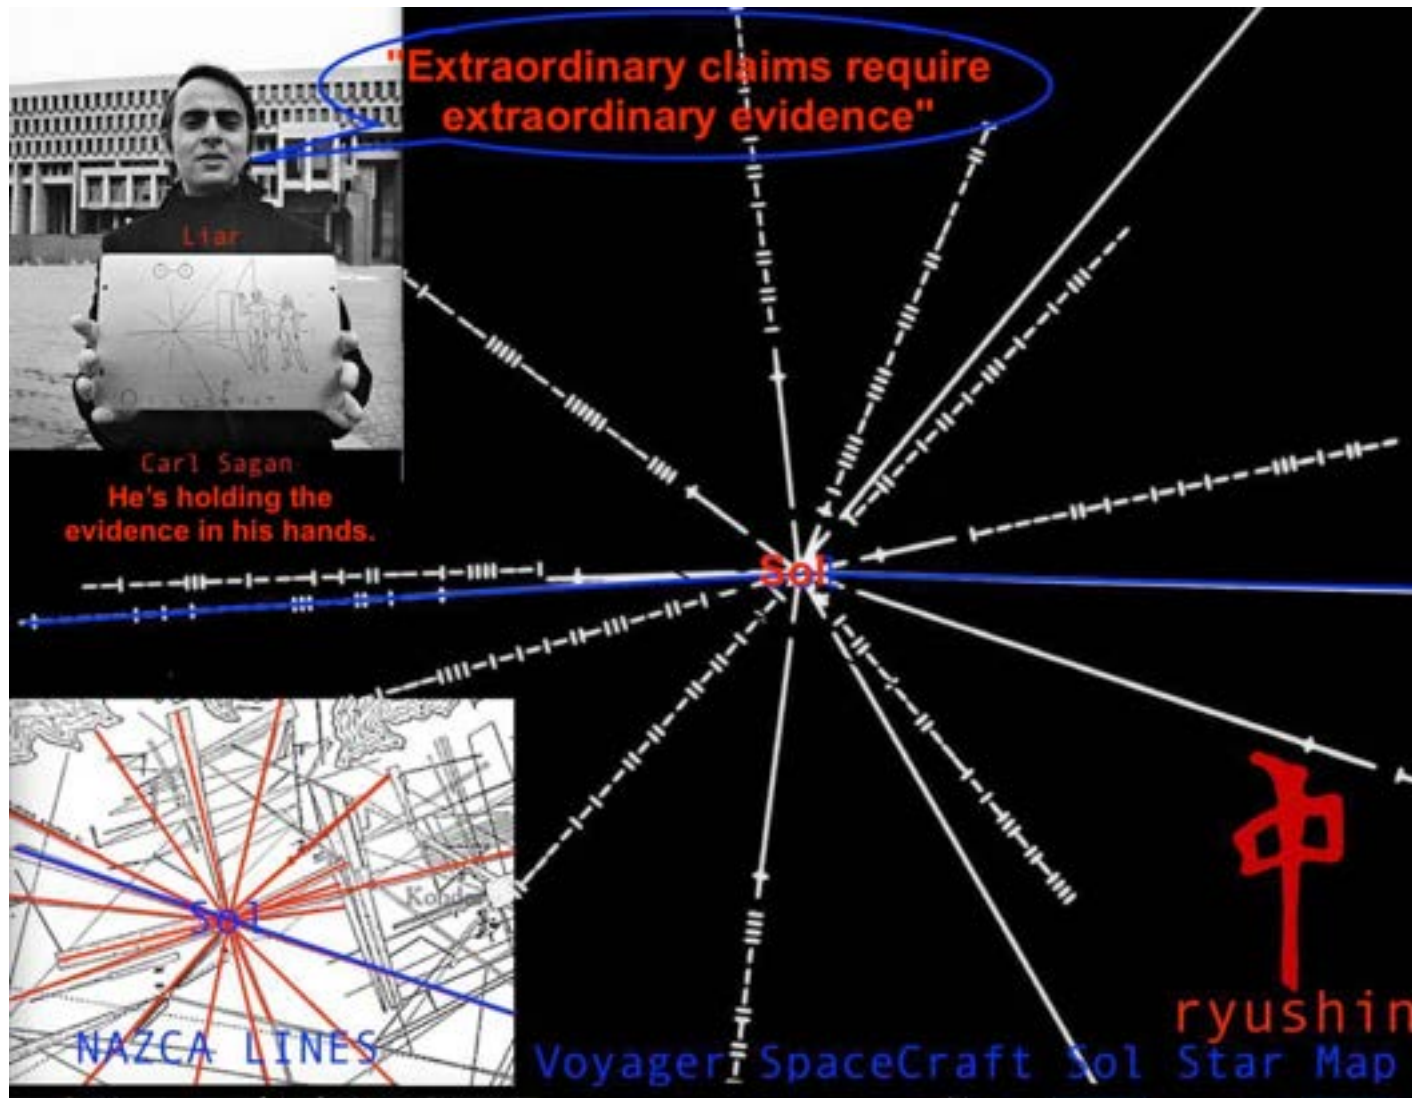

The Orion Lines Theory 6/7/2019 Ryushin Malone

The Orion Lines are a three-dimensional pulsar star map representing The Orion Group's territory markings. They are to ward off other extraterrestrials as to who's planet this is or was, Orion's. We just happen to be right in the middle of their territory. The Orion Group is allegedly a satanic force who takes over star system throughout The Galaxy, if not The Universe. You have to be looking from the prospective of being behind the star constellation Orion, looking through Orion to our sun, Sol and then the three-star constellation behind Sol, Scorpio, Libra and Virgo. What I did was take a picture of the star constellation Orion and flipped it horizontal, then placed the Nazca Lines on top of The Orion star constellation. I completed this map on June 7th, 2019.

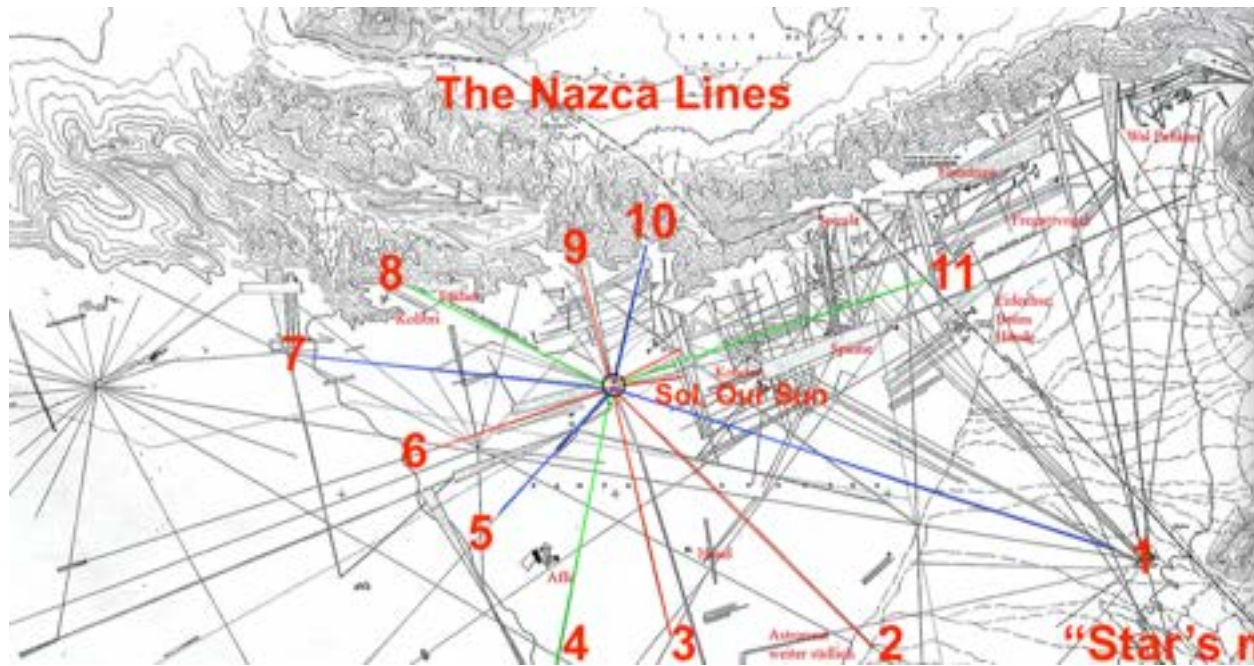

The Nazca Lines seen from a greater distance compared to the Hawaii Lines in Alakaha, Hawaii are in the shape of Orion.

Extraordinary claims require extraordinary evidence and what this told me was that they knew it was Orion this whole time. This is where they got our sun's pulsar map from and why they put it on the haul of the Voyager spacecraft. It also means that the middle of The Orion Lines is definitely our sun Sol and is correct.

The Orion Correlation Theory by Robert Baural - Correct orientation of The Milkyway Galaxy 4/20/2019 Ryushin
If The Orion Lines are how the aliens view up and down, then there is a correct orientation to The Milkyway Galaxy.

The symbol for Earth actually comes from The Orion Group's territory markings.

Connection Ryushin

The direction of life force [collected through the [NRG Grids](#)] is hierarchical and managed by the **Alpha Draconis** system in the Orion Constellation, however multiple conflicts exist within the system and the fight for its resources exist among many species, the reptilian and draconian levels of contingents. There is a vast system of bottom feeders and defectors.

The **Orion Group** is a **Satanic** force that has a predatorial ideology that uses females as slaves or breeders, while seeking territorial dominion on other planets within their warring and killing culture. Their position in the **NAA** and its consortium of **Negative Aliens** is called the **Black Sun Program**. They are a predator force with a predator mind which is mainly responsible for creating much of the **Negative Ego** in humanity through **Mind Control** programming and they have introduced financial and **Debt Enslavement** to planet earth through the banking cartels.

Additionally the **Nordics** are blond looking humans from Orion and are also predatorial, this species is responsible for spreading racism, genetic discrimination, genetic experimentation, such in the Nazi ideology and they are proponents of promoting their belief system of "genetic superiority" through spiritually abusive methods of **Eugenics**. This **Nordic group** was directly involved with Hitler's Germany and **World War II**.

Dracos species are potentially capable of shape-shifting and have extremely developed **Psionic** abilities, which allow them to possess or enter bodies through consciousness projection. Therefore, as they originate from a **Phantom Matrix** system of **Satanic** based **AI** infected entities, many of these **Draco** entities are confused by people as the devil or believing they are Satan, as an individual figure.

Reptilian Hierarchy

Extraterrestrials that are hybridized with Reptilian based genetics operate in strict hierarchical systems of rank, and defer to their superior groups. The **Dracos** or Draconians from Alpha Draconis are in command of earth based subterranean reptilians who respect their superiors in the belief system that the Dracs are those who hold "ownership" over earth and human beings. Draco Reptilians view themselves as the most intelligent species in the Universe and that earth humans are the result of their biological seeding processes from multiple planets. The Alpha Draconis Draco have a "Royal Class" that appear to be lighter colors, white Skinned scales with winged appendages, and are about two to three times the size of an average human, and very muscular. They are quite menacing and tyrannical, showing little mercy to an entity of their own race that they think has defied their orders or responsibilities to manage their "earthly resources". Earth based reptilians appear to be in command over **EBE** or biological entities known as small Grays. The **Reptilians** have developed high psionic abilities, which they use for mind controlling other entities, and do not have an emotional body or soul body.

The known reptilian races on earth appear to have made a variety of cooperative agreements with the higher ranks of human government and military, which have resulted in shadow government black projects, such as **Secret Space Programs**, **MILABS** and the creation of military industrial complex to experiment and exploit alien based technologies and craft that they have been given access through their cooperation. Dracs are a extremely militant, misogynistic and warring species that are very involved in controlling the **Power Elite**, financial, pharmaceutical and banking institutions, promoting war and killing through increasing militarization, poverty consciousness, human enslavement programming, religious violence, terrorism, and the harvesting of humanities **DNA** through abduction and experimentation, as well as other species they have under their control.

As above, So Below by Paul D. Burley – Adrenochrome Harvest Clock 8/21/2018 realized by Ryushin

I have solved Stonehenge. Stonehenge was actually an Adrenochrome Harvest clock used to do human sacrifice in reverence to Orion. This is why there is something called "the slaughter stone" at the site. What I believe what would happen is, when the sun fell between the heel stone, Orion would show up to collect their offering that night. The people worshipping them were bringing foreigners there to be sacrificed.

This is why Stonehenge was partially destroyed because The People found out what they were doing, worshipping "Gods" by offering them Human Beings to eat. This is also why Stonehenge was rebuilt in 1901 out of respect for Orion.

Hydronium Reactor Theory Ryushin 3/10/20 - Connection Ryushin - Realization Ryushin

The Great Pyramids of Giza. On December 19th, 2018, a gigantic pyramid shaped craft appeared over The Pentagon in Washington D.C. We have three different prospective of the craft on video. It was the very same craft that appeared over the Kremlin in 2009. As soon as I knew they actually had this type of vehicle, I instantly thought of the movie Stargate. When I looked up the blueprints to the great pyramid, I immediately knew it was a water well and that they were water harvesting the Nile river. They were processing H2O and ionizing it creating H3O also known as hydronium to fuel their craft.

It is also reasonable to assume that this is The All-Seeing-Eye. Either they are Orion or Draco, we have a need to know.

I have discovered that The Nazi Death Marches, the pathway leading to the death camps are in the shape of Orion. Why? Because they were trading with Orion, Human Beings as a food and drug source, Adrenochrome for technology since the 1930s. This is how the Nazis got their hands on the UFO technology. It's in the shape of Orion as an homage to Orion. I believe this was payback for Moses taking the Jewish people from Egypt 5,000 years prior under Orion's rule.

I have also discovered that The US Government used tax-payers money to build the identical railway system in the heart of America in secret underground. Why? Because, The USA did not win World War 2. They lost in Antarctica when Admiral Byrd took the entire Pacific fleet there to flush out the remaining Nazi forces called Operation High Jump in 1947. When they got down there, they were attacked by Nazi UFOs and ET UFOs and lost.

It was just more evidence that they are in fact real, and I believe they are "Aten." The one true God, the sun God. Are they God? I am not sure, but the evidence is leaning in this direction. Why are they called the sun God? I believe because their vehicles look like little sun, balls of energy. I also discovered a tablet depicting the same image of King Akhenaten and Queen Nefertiti in the Mayan culture. Were King Akhenaten and Queen Nefertiti in South America with these alien beings? After Nikola Tesla's death in the 1940s, The FBI confiscated his research under the guilds of "national security" from his Manhattan apartment. It was said that in 1899, when Tesla first turned on his invention, the radio, he could hear people talking. It was said that he made contact with them. And at the end of his life, he claimed that he was in communication with extraterrestrials. Why was Tesla drawing UFOs? Round shaped craft? I believe that they showed Tesla, not only the layout of their vehicles, but their functionality as well. These images were finally released in December of 2018 and can be viewed on the FBI archive website. Why hasn't this been in the news? Because the news is owned by Lord Jacob Rothchild.

Margaret Storm has been assigned to certain work with the Space People, as follows: She is writing a book - Return of the Dove - a story of the life of Nikola Tesla, scientist, and the part his inventions will play in the New Age. Much of the data for this book has been supplied to Mrs. Storm through transcripts received on the Tesla set, a radio-type machine invented by Tesla in 1938 for Interplanetary Communication. Tesla died in 1943 and his engineers did not build the Tesla set until after his death. It was placed in operation in 1950 and since that time the Tesla engineers have been in close touch with space ships. The Space People have visited the Tesla engineers many times, and have told us that Tesla was a Venusian, brought to this planet as a baby, in 1856, and left with Mr. and Mrs. Tesla in a remote mountain province in what is now Yugoslavia.

<https://vault.fbi.gov/nikola-tesla>

This was also in the FBI archive... Was Tesla from Venus? It's probable.

"My flying machine will have neither wings nor propellers. You might see it on the ground and you would never guess that it was a flying machine. Yet it will be able to move at will through the air in any direction with perfect safety."

On June 28th, 2018, I realized that the World War 2 holocaust was actually an Adrenochrome harvest, trading Human Beings as food and drug, Adrenochrome for technology with Orion. I believe it was for revenge on the Jews for leaving Egypt 5,000 years before. Adrenochrome is a drug created when adrenalin meets oxygen. The aliens and the Elite drink it and it gets them higher than any other drug in the galaxy. It's possible that the drug can prolong aging as well. It made sense considering, why just kill them, when you can kill them in trade for great technology? We have about an hours worth of video evidence as well as documents of the Nazis having UFOs. True history revealed. These Elite have been worshipping and working for Orion this whole time. This is how they set up the deal with Orion. World War 1 and 2 were nothing more than using Germany as a doorstep funded by The Elite to stop the spread of communist Russia into Europe. In 1954, Eisenhower made a deal called The Grenada Treaty signing a secret and illegal treaty with the alien beings from Orion trading Human Beings and cattle for "medical experiments" for technology. This is why the secret underground railroads in the heart of America are in the shape of Orion. This is the death of the Elite and the reason why we don't trade our own people, Human Beings for a stick of gum. They made the same deal the Nazis made with Orion in World War 2. This was never about America winning anything or VS The Nazis, or China, or Russia. It has always been about The Elite VS The People and pitting the people against the people. We just woke up at the end of the fight.

Did the US GOV build the same railway system as the Nazi Death Camps in America?

This is why The US built the identical railroads in the shape of Orion as to The Nazi Death Marches. What have they been doing down there this whole time? CHILD GENOCIDE. They have been Adrenochrome harvesting children in trade for great technology. That's exactly what they've been doing. Uncle Sam's Snuff Factory at Fort Hood Killeen, Texas. TheOrionLines.com

They built the identical railroads as to the Nazi Death Marches. What have they been doing down there with our money and behind The Peoples backs? It's unsettling to say the least. If you don't feel betrayed, you should because this is exactly what this is. It's treason against The People of The World.

Realization Ryushin

It is said that the “bad aliens” who are very tall, brown colored and smell really bad come from the Mintaka star in Orion’s belt. Is this true? We should know.

Image NASA Logo - Realization Ryushin

The real reason why NASA has Orion, Draco, and Pleiadian in their logo isn't random star constellations. It's who they are aligned with. Who they secretly work with behind The Peoples backs.

There is a reason why Space Force does not have Orion in it.

After solving The Nazca Lines, exposing the aliens who come from Orion, I discovered that The Elite were using other countries militaries as a middleman to Adrenochrome harvest Human Beings in trade for technology since the 1930s. Since this realization, it has forced The US Military to end The Grenada Treaty thus resulting in the creation of Space Force and the new logo without Orion.

I just happened be paying attention and watching the flock, my monastery, my Zendo, The Earth, my people, home.

ORION

HUMANITY'S EXPLORATION SPACESHIP

Lockheed Martin is building NASA's Orion spacecraft, the only spacecraft designed for crewed long-duration, deep space exploration. Orion will transport humans to interplanetary destinations beyond low Earth orbit, such as the Moon and eventually Mars, and return them safely back to Earth. Orion is the command deck for future exploration stepping stones like the Deep Space Gateway and Mars Base Camp.

FLIGHT DECK

Orion's cabin features a full "glass cockpit" with fly-by-wire control systems, which enable full crew control or ground automation. While the vehicle can be flown completely autonomously, manual controls and switches allow direct crew control of power, propulsion, communications, pyro, and other functions.

FORWARD BAY COVER

Aerodynamic and thermal protection for the forward avionics bay. Jettisoned prior to parachute deployment.

DOCKING HATCH

Designed to international standards, the forward docking port allows Orion to dock with many different spacecraft.

PARACHUTES

3 Main parachutes, each 7 feet in diameter, arrest the descent of the spacecraft, ensuring a safe water landing.

SIDE HATCH

A quick egress route for the astronauts aboard Orion.

CMA UMBILICAL INTERFACE

Provides various quick-disconnect points between the Orion Crew and Service Modules.

CW/SW UMBILICAL

An attachment point for various physical, electronic, and thermal connections between Orion and the Crew Module Adapter.

SERVICE MODULE RCS THRUSTERS

Bi-propellant thrusters provide on-orbit attitude and contingency translation control in the X, Y, and Z axes.

AUXILIARY ENGINES

8 bi-propellant engines for orbital maneuvering and auxiliary main propulsion.

SOLAR ARRAYS

4 independently gimballed, folding arrays ensure uninterrupted solar power to Orion.

CREW MODULE RCS THRUSTERS

Mono-propellant hydrazine powered thrusters provide attitude control during atmospheric re-entry.

HEAT SHIELD

At 5 meters in diameter, Orion's heat shield is the largest of its kind ever built. Its thermal protection allows Orion to re-enter Earth's atmosphere directly from high orbital velocities such as Lunar and Mars returns. This capability, without the need to perform additional maneuvers, makes Orion uniquely suited to safely execute a variety of far-ranging missions. In addition, Orion is the first spacecraft designed for a nominal skip entry condition, using Earth's atmosphere to slow its descent.

CREW MODULE ADAPTER

This ring attaches Orion to the Service Module, uniting the two spacecraft physically and electronically. The CMA also houses avionics, cameras and sensors via mission specific pallets.

RADIATORS

These panels provide radiative cooling, maintaining comfort zones for both astronauts and avionics, and serve as micrometeorite protection for the propellant tanks.

MAIN ENGINE

1 bi-propellant engine provides thrust for orbital maneuvering and serves as an abort motor.

Orion: Academic Access

Academic Access to Orion, AWE's high power laser facility, is managed through the Central Laser Facility.

The [Orion laser at AWE](#) is used to conduct research into high energy density physics phenomena. The building houses a large neodymium glass laser system and a target chamber in which the high energy density physics experiments are conducted. Orion will generate matter many times denser than solid – at temperatures up to 10 million degrees.

Designed primarily to support AWE's core work, Orion is also available for collaborative academic research, access for which is managed by the CLF and involves a similar proposal and review mechanism as adopted for the CLF's laser systems.

Orion delivers up to 5 kJ at 351 nm in 10 1-ns duration beams with flexible pulse-shaping, and up to 500 J in ~0.5 ps at 1053 nm in each of two short-pulse beams, one of which is currently frequency-doubled (at reduced aperture) to give increased contrast.

It has an extensive suite of optical, X-ray, charged-particle and neutron diagnostics, many of which are deployable in diagnostic insertion devices.

The Book "Behold A Pale Horse" by William Copper

In William Copper's book, "Behold A Pale Horse," he was talking about a CIA Operation called "Orion." Schoolyard shootings to inflame the antigun lobby. Qanon talks about this as well. I believe it may be possible that part of the agreement was to build the aliens from Orion an invasion force with taxpayers' money and Operation Orion was designed to disarm Humanity to make it easier for Orion to invade. Dr. Greer calls it a "fake alien invasion force." It doesn't appear fake from this prospective.

The TR6 "TELOS" is designed for use as a transatmospheric, low observability reconnaissance platform with global reach and a long sensor line over target. Employing active electromagnetic, electronic and visual camouflage it is able to penetrate all currently known defense systems from transorbital height.

The TR6 utilizes five electrogravitic generators for propulsion and is considered a "VSTOL" craft, not needing a runway. The landing gear is stowed for maneuvering while on the ground. The wings fold for longer storage. Currently there are only a handful of hangars in the world that can accept the TR6, with most of them in the US.

The entire airframe acts as a multi-band omnidirectional relay capable of directly interfacing with all current US military satellite networks. The skin employs active visual camouflage using a "stealth" lighting pattern along with other active stealth techniques. The TELOS platform is also capable of operating in space as well as docking with military space stations via a vertical docking hatch.

ABSTRACT

A spacecraft having a triangular hull with vertical electrostatic line charges on each corner that produce a horizontal electric field parallel to the sides of the hull. This field, interacting with a plane wave emitted by antennas on the side of the hull, generates a force per volume combining both lift and propulsion.

Adrenochrome Harvesting Realization & Connection Ryushin

The true origin of human sacrifice was done to worship aliens and drink the blood to get high. They were taught Adrenochrome Harvesting by the aliens. I realized that the reason why they changed Travis Walton's story in Fire in The Sky was to show The People of The World how these alien beings have been Adrenochrome Harvesting Human Beings for real. Also, I noticed that the inside of the ship was a cylinder, which leads me to believe that their harvesting ships are the cigar shaped craft.

The reason why they wear grey suits is to render them invisible and look like a different alien species. Orion, the hunter.

Adrenochrome Harvesting

For the Mexica, human sacrifice was key to the health of the world. Recent finds show that a vast rack of skulls (reconstruction below) stood in a temple at the heart of their capital, Tenochtitlan. (An interactive version of this graphic is also available.)

The island capital of Tenochtitlan

The Mexica built their capital city on an island in the now-drowned Lake Texcoco. At its apex, the city had a population of about 235,000 and was the seat of an empire that stretched to southern Mexico. The temple complex in the middle of the island was the political and religious heart of the city state.

1 Templo Mayor

Most sacrifices in Tenochtitlan were performed in public at the top of the Templo Mayor. The sacrifices played a vital role in the Mexica's cosmology and may have also helped the young empire control conquered populations.

2 Trompanitl

The Mexica expertly decapitated victims and carved standardized holes in the sides of their skulls so they could be inserted onto the posts of a rack called the trompanitl, which held thousands of skulls.

3 Two towers

Built from skulls and mortar, towers of at least 1.7 meters tall and likely taller flanked the trompanitl. These were built in phases, with skulls on the outer rings facing outward, and those on the inner rings facing inward.

Mass child sacrifice discovery may be largest in Peru

Archaeologists in Peru have unearthed what is believed to be the largest single mass child sacrifice in history.

The bodies of 227 victims, aged between five and 14, were found near the coastal town of Huancho, north of Peru's capital Lima.

The children were believed to have been sacrificed over 500 years ago.

The discovery comes barely a year after **200 child victims of human sacrifice were found** at two other sites in the country.

Archaeologists told AFP news agency that some of the bodies in this latest collection still had hair and skin when they were dug up.

The children show signs of being killed during wet weather, and were buried facing the sea, meaning they were probably sacrificed to appease the Chimú's gods.

It is unclear in which year the incident took place.

The Chimú resided along Peru's northern coast and were one of the region's most powerful civilisations. They reached prominence between 1200 and 1400 before

High level whistleblowers have been coming forward about the Adrenochrome trade. This was posted by Space Force. This is why we need Space Force. The US Senators have all been briefed about the aliens coming here and Adrenochrome Harvesting Human Beings in March of 2019, a few months after I attacked all of them with the three bodies they call "Human Mutilations" which I have discovered are actually Adrenochrome Harvesting. Senator Blumenthal says during The Space Force hearing in March of 2019, "Our advisories know what "they" are doing, we know what "they" are doing, "They" know that we know what "they" are doing, but The American People have no idea." Well that wasn't entirely true. After attacking them for months with the adrenochrome harvested bodies, every single senator, the military finally briefed them and now you know.

[57] **ABSTRACT**

A process is described for preparing adrenochrome comprising oxidizing adrenaline or a salt thereof with a persulfate in an aqueous medium at a pH in the range 4 to 8 in the presence of one or more water-soluble salts of bismuth.

stable buffer to the semicarbazide solution prior to its addition to the adrenochrome solution. Suitable buffer salts include those previously listed. Potassium acetate is the preferred buffer and the amount employed is usually within the range 1.5 to 2.5 mole per mole of semicarbazide.

After the completion of the stabilization, the derivative of adrenochrome is isolated from the reaction mixture by separating the precipitate in a normal manner, e.g., filtration, followed by washing. The derivative of adrenochrome is obtained in the form of powder. Prior to the separation, the treated reaction mixture may be neutralized with an alkali, e.g., sodium hydroxide, to precipitate the dissolved adrenochrome derivative. The isolated powder may be purified in the usual manner such as active carbon treatment, chelate treatment and recrystallization.

The invention will now be illustrated by the following Examples.

EXAMPLE 1

To a 5-liter beaker was charged distilled water (1000 ml), ammonium persulfate (95.8 g, 0.42 mole) and sodium hydrogencarbonate (90 g, 1.1 mole). The mixture was stirred and cooled to 0° C. To this solution was added a solution of bismuth citrate pentahydrate, Bi(NO₃)₃·5H₂O, (0.97 g, 0.002 mole dissolved in 25 ml 10% HCl). This was followed by the dropwise addition of an aqueous solution of adrenaline hydrochloride (84.0 g, 0.2 mole) dissolved in water (100 ml) over 20 minutes at 0° to 2° C. followed by a period of stirring for 30 minutes at 0° to 2° C. During the reaction, a part of the reaction mixture (2 g) was taken out and was diluted with water to 1000 ml and the absorbance of the dilute solution was measured at a wavelength of 495 nm. The absorbance increased to a maximum after 30 to 45 minutes.

To the resulting adrenochrome solution was added a solution of semicarbazide hydrochloride (23.4 g, 0.212 mole) and potassium acetate (81.2 g, 0.42 mole) dissolved in water (100 ml), over 15 minutes at below 20° C.

The reaction was stirred for a further 2 hours to allow the product to crystallize. The product was collected by filtration, washed with water and dried to give 40.0 g crude powder of adrenochrome monosemicarbazone.

Purification of the adrenochrome monosemicarbazone was achieved by suspending the solid in water (25 volumes) and treating with an excess of sodium hydroxide to afford a solution. After active carbon treatment and addition of ethylsuccinate succinic acid the purified product was precipitated by the addition of acetic acid to pH 3.5. The adrenochrome monosemicarbazone was isolated in the conventional manner.

The infra-red absorption spectrum and ultraviolet absorption spectrum of the purified adrenochrome monosemicarbazone were measured. The infrared absorption spectrum showed the characteristic absorptions at 3300, 3100, 1700, 1640, 1540, 1410, 1295, 1195, 1095, 830 and 560 cm⁻¹. The ultra-violet absorption spectrum of the purified powder showed maximum absorption at 324 nm. The melting point, infrared absorption spectrum and ultra-violet absorption spectrum agreed with those of the authentic adrenochrome monosemicarbazone, and the reaction product was identified as adrenochrome monosemicarbazone.

EXAMPLE 2

Adrenochrome was prepared in the same manner as in Example 1. To the resulting adrenochrome solution was added an aqueous solution of semicarbazide by dissolving (23.4 g, 0.212 mole) dissolved in water (100 ml) at below 2° C. The pH of the resulting solution was adjusted to 2.8 with dilute HCl and stirred for a further 30 minutes at below 10° C., during which time a dry orange solid precipitated. The pH was further adjusted with dilute sodium hydroxide solution to a final pH of 8.0 to 8.5. The resulting yellow orange slurry was then stirred for a further 15 minutes. The product was isolated by filtration, washed and dried to give 40.0 g crude powder of adrenochrome monosemicarbazone. The crude powder was dissolved in a 5% by weight aqueous solution of acetic acid, and after active carbon treatment, a small quantity of ethylsuccinate succinic acid was added. Four percent by weight aqueous solution of sodium hydroxide was then added, and the precipitate was separated and washed to give purified adrenochrome monosemicarbazone. The infra-red absorption spectrum and ultraviolet absorption spectrum of the purified adrenochrome monosemicarbazone were measured. The infra-red absorption spectrum showed the characteristic absorptions at 3300, 3170, 1640, 1590, 1500, 1495, 1340, 1320, 1295, 1190, 1070, 860, 815 and 720 cm⁻¹. The ultra-violet spectrum showed the maxima absorption of 343 nm and 443 nm. The infra-red absorption spectrum, ultra-violet absorption spectrum and the melting point agreed with those of an authentic adrenochrome monosemicarbazone, and the formation of the desired product was thus confirmed.

EXAMPLE 3

To a 3-liter beaker was charged distilled water (1000 ml), ammonium persulfate (95.8 g, 0.42 mole) and sodium hydrogencarbonate (90 g, 1.1 mole). The mixture was stirred and cooled to 0° C. To this solution was added a solution of bismuth oxycarbonate (Bi₂O₃·CO₂) (8.5 g, 0.081 mole dissolved in 25 ml 10% HCl). This was followed by the dropwise addition of an aqueous solution of adrenaline hydrochloride (84.0 g, 0.2 mole) dissolved in water (100 ml) over 20 minutes at 0° to 2° C. followed by a period of stirring for 30 minutes at 0° to 2° C.

To the resulting adrenochrome solution was added a solution of semicarbazide hydrochloride (23.4 g, 0.212 mole) and potassium acetate (81.2 g, 0.42 mole) dissolved in water (100 ml), over 15 minutes at below 20° C. The reaction was stirred for a further 2 hours to allow the product to crystallize. The product was collected by filtration, washed with water and dried to give 38.2 g crude powder of adrenochrome monosemicarbazone which showed the characteristic absorptions of 3350, 3100, 1700, 1640, 1540, 1410, 1295, 1195, 1095, 830 and 560 cm⁻¹. The ultra-violet absorption spectrum showed a maximum at 324 nm. The infra-red absorption spectrum and ultra-violet absorption spectrum agreed with those of an authentic sample of adrenochrome monosemicarbazone.

EXAMPLE 4

The procedure of Example 3 was repeated except the bismuth oxycarbonate was replaced with bismuth citrate C₂H₂BiO₇ (9.74 g, 0.082 mole). Similar results to those obtained in Example 3 were obtained.

ANY QUESTIONS?

Every human being's Pineal Gland or The third eye can be activated to spiritual world frequencies and enables you to have the sense of all knowing, godlike euphoria and oneness all around you.

A pineal gland once tuned into to proper frequencies with help of meditation, yoga or various esoteric, occult methods, enables a person to travel into other dimensions, popularly known as astral travel or astral projection or remote viewing.

With more advance practice and ancient methods it is also possible to control the thoughts and actions of people in the physical world.

Yes, it is bizarre, but the United States, former Soviet Union governments and various shadow organization have been doing this type of research for ages and have succeed far beyond our imagination.

Everyone will know the reality soon, and unfortunately it's just not something to laugh at. It's pretty unnerving, with some bad news, some good news, and with that in mind- all we can do is deal with it honestly and openly.

Adrenochrome Harvesting Realization Ryushin

Yes, they have been eating Human Beings. These are what the ufologists call "Human Mutilations," which they are anything but mutilations. In reality, they are Adrenochrome Harvesting. They are identical to the cattle mutilations. If you would like to see how it's done, watch the Fire In The Sky movie alien sense. They restrain the person or animal, then they put a cable down the persons esophagus and into the stomach. A needle will be placed into the pineal gland and while the cable is whipping up the persons intestinal track, the needle is collecting pure adrenalin before entering the bloodstream.

When adrenalin comes into contact with oxygen, it creates Adrenochrome. But they also harvest the blood, organs, glands and nodes as food. The process lasts for 45 minutes to an hour until death. The body is then returned to the place of pick up. NATO and The US Gov have been covering this up for decades because they have been secretly trading with them. The man on the top left was found in Brazil 1988 and the girl and boy were found together also in Brazil in 2007.

There have been many reports of Human mutilation spanning for decades, even thousands of years. This is the true origin of Human sacrifice. As a result, I am running for President to protect our people, The Human Race from this type of abuse. This is simple unacceptable.

Dr. Steven Greer and Linda Moulton Howe are both lying to The People. Dr. Greer says that human and cattle mutilations are "black operations" to scare people. Linda says human mutilations are "agent orange." There is a reason why they are lying... They are getting paid very well.

Why was Pizzagate "fake news?" Because Lord Jacob Rothchild also known as The Pinder or Pinnacle of the Draco or Penis of the dragon, his nephew is James Alefantis, the owner of Comet Ping Pong Pizzeria in Washington D.C. Jacob owns the 6 major news corporation and at the same time pizzagate came out through wikileaks, fake news came out.

At Comet Ping Pong, there is a mural of an alien playing ping pong with a Human Being. This told me that they were secretly at war with a positive group of aliens trying to help humanity while these pedovors, child eaters, control our world and trade Adrenochrome for technology with Orion.

Dear Barack,

When we began the **pizza arrangement** I thought we were going to be more careful than this. Operating from the whitehouse is not what I originally had in mind. Remember **that the hotdogs can come** but if you make a spectacle out of it, that will be our downfall.

Please know that I am speaking as a friend. You are the president and can do as you like but I have to say I think it would be wiser to restrict this activity to our predetermined locations.

Let me know what everyone thinks. We can vote on it if you'd like.

Uncle Sam's Snuff Factory revealed by Katy Groves – Uncle Sam's Snuff Factory location Fort Hood Killeen, Texas 10/20/2018 Ryushin

In October of 2018, I came across a woman by the name of Katy Groves. She said that she was a part of a child snuff ring located at a military base in Killeen, Texas where the Elite were calling it "Uncle Sam's Snuff Factory" as an inside joke. She said she was brought there as a child and was raped all the way up until the age of 17 years old. She said she lived in Austin and recalled the drives being about 45 minutes to get to this underground military base.

When I google searched Austin, Texas, there was only one military base in the area, Fort Hood Killeen, Texas. She said that she witnessed CHILD GENOCIDE there and not only where they raping, torturing and murdering children but they were ordering children off of menus to have them cooked to be served and eaten as food! Her testimony was incredibly disturbing. I could feel her heart and could tell she wasn't lying. Is it true? The evidence is overwhelming and the great connect between the Elite and the aliens.

In the last 3 years from January 2016 to January 2019, Fort Hood on average lost 35 soldiers a year. If you divide 35 by 12 months, that's an average of 3 soldiers a month. We must find out why so we can prevent these untimely deaths and save the precious lives and futures of these mostly young soldiers. The average age at time of death is 28 years old and each death has a ripple effect on the families, friends, and communities left behind.

I even figured out which one did it. This is not politics... This is attempted murder, and someone must be held responsible. Just because it's NASA does not exempt them from attempted murder.

We never needed NASA. NASA employs 20,000 works. We never in our history needed rockets because good aliens showed Tesla everything long before World War 2. NASA is a coverup operation to hide the alien presence.

AYY HAPPENING? There are around 8 US Military aircraft in the skies of Nevada near Area 51 as we speak. Almost all of the aircraft airborne deal with electronic and electromagnetic warfare. Did something escape area 51, a did Qanon predict this? Are lizard people coming out of the desert?? All seriousness I monitor adsb radars quite often and this type of activity is unprecedented

For those unfamiliar. E-8 is a Surveillance Target Attack Radar System, E3 is an early warning aircraft, RC135 is sniffing out electromagnetic frequencies, RQ4 is a high altitude surveillance drone, EC135 is an electronic warfare aircraft. And they are all out in the desert near area 51 for some reason.

 Recent rumors about "lizard people" escaping Area 51 have no merit. Also, they're called "Reptilians". #SpaceForce

Realization Ryushin

When this leaked out on 12/7/2018, I was very interested. Lizard people? Reptilians? Being housed at Area 51? I had no proof that this really happened until 12 days after. I took this image and attacked Space Force's twitter account with it and got an unexpected response. "Recent rumors about "lizard people" escaping Area 51 have no merit. Also, they're called "reptilians". #SpaceForce" I'm sure they are, and this is treason.

Connection Ryushin

A gigantic pyramid shaped craft appeared over the Pentagon on December 19th, 2018. We have three different perspective of the vehicle on video. This told me that they were indeed harboring aliens at Area 51 and had them removed. This told me that the aliens were probably not happy and risked being exposed to find out what these idiots at the Pentagon were doing removing their people.

The same craft was seen over the Kremlin in 2009. We also have multiple videos of this event as well. Interestingly enough, this allowed me to solve the Great Pyramids of Giza from realizing that they actually had these types of vehicles. I also believe that this is the All-Seeing-Eye that is all over our money. Who are they? Orion? The Alpha Draconian? Someone knows and we demand answers.

This very event led me to solve The Great Pyramids of Giza. They were water harvesting The Nile River to ionize the water to be used as fuel.

Trump orders fleet of icebreakers and new bases in push for polar resources

June 2025

- President orders plan for Arctic and Antarctic in 60 days
- Military experts sceptical of 'icebreaker gap' with Russia

Donald Trump has ordered the construction of a fleet of icebreakers and bases to pursue US interests in the Arctic and Antarctic by the end of the decade in a signal that his administration is going to take a more aggressive approach to **the contest with Russia and China for polar resources**.

Trump issued a memorandum on "safeguarding US national interests in the **Arctic** and Antarctic regions" which calls on the administration to come up with a plan within 60 days that would include at least three heavy icebreakers to be built by 2029, and recommendations for locations to build two support bases in the US and two on foreign soil.

The memorandum appeared designed to expand and inject extra urgency into a longstanding US Coast Guard plan to build three heavy and three medium icebreakers. It suggests the US look into leasing arrangements while the new fleet is being built.

"This appears to be another rapid study to confirm or perhaps expand what the US needs," said Heather Conley, senior vice-president for Europe, Eurasia and the Arctic at the Centre for Strategic and International Studies. "Again, how to pay for it is another question that will need to be answered another day."

The US currently has just one heavy icebreaker, the ageing Polar Star, and one medium. Russia currently has 40 breakers in total, Finland has seven, and Canada and Sweden have six each.

As the **sea ice is melting**, China is also laying claim to Arctic resources, although it does not have an Arctic coastline, by funding various

The truth is The US Government has time travel and quantum time viewing devices. Having time travel actually changes the nature of reality itself allowing us as people to no longer be restricted to this moment-to-moment experience, but allows us to be in this moment, in any moment. This technology changes the nature of reality itself. Time travel is a 'black ball' technology. It is extremely dangerous to the user and everything/everyone else. If one thing is changed in the past, it will affect the present moment and thus our future. Once I realized that they did in fact have this technology, I wrote The Timeline Accordance Declaration outlawing time travel for personal use.

This is project looking glass or the looking glass device. It allows the viewer to see past, present and or future events by warping spacetime. It can also open a wormhole also known as a stargate.

Rendering by Open Minds Productions

The Orion Cube, also known as The Yellow Book, is also a quantum time viewing device. It is an 8 inch by 8 inch yellow box cube that was a 'gift' from the Ebens. It is said to be in the hands of The Free Masons.

Timeline Accordance Declaration

Time Travel is hereby outlawed for personal use. You cannot Time Travel to the past or the future to alter the timeline for personal advantage. Time Travel is only allowed from moment to moment, meaning, if you wanted to leave home and go to say Mars, you would leave in this moment and arrive only in this moment. Not 1 second before and not 1 second after. You can only time travel in the now so that the timeline is not effected or altered.

No one except Special Forces are allowed to time travel outside of our Solar System. This means you are free to travel anywhere in the Solar System but only in the now.

I outlaw "Time Spying" for personal use. Time Spying is only allowed for the betterment of all beings, not just a few.

All Time Spying devices must be handed over.

Only "Time Police" will be allowed to protect the timeline at all costs by watching past, present and future events for everyone's sake, not just the few.

I hereby abolish all nations and all borders.

I hereby abolish all WARS against Humanity, Extraterrestrial and A.I. and declare Victory Over War.

From this moment forward, I here by abolish all murders, rapes and child abuse, sexual or otherwise. If anyone commits these crimes, time police monitoring the timeline will be sent to stop you, arrest you, and bring you into the present moment to be place into clinical rehabilitation, death penalty for crimes still applies.

I hereby END THE WAR ON DRUGS and legalize EVERYTHING. Especially, CUCUMBER TRICHOSANTHIS KIRILOVIL.

All drugs are legal to those over the age of 21. Please take in moderation otherwise you will have your drug license revoked and placed into clinical rehabilitation.

All AIDS/HIV victims will be provided the cure ASAP, free and will be compensated, living or dead.

All other known and unknown cures will also be provided free. No one has to die so that few can survive. We can All survive together or none at all.

All people in prison for drug related crimes are free to go home.

I hereby allow free health care to every Human Being.

I abolish hunger and homelessness.

I hereby abolish all class. There is no longer a lower, middle and upper class.

One for all or not at all.

I hereby abolish ALL SENTIENT BEINGS FROM ADRENOCROME HARVESTING THROUGHOUT THE MULTIVERSE.

I abolish ALL abductions.

I order all non-Humans out of the Solar System until further notice.

I hereby outlaw cloaking technology. I hereby outlaw pre-type-one species manipulation unless for the betterment of all beings.

I order complete control over Earth's Defenses to protect all life in the Solar System. I ORDER you to gift me the Ironman suit, the sound weapon, the thought chair, the portal gun, along with everything else you have and the greatest ship in our fleet to protect all life. I obviously need to be briefed on EVERYTHING especially what is coming for us in the future.

I hereby abolish Nuclear Weapons and Nuclear power.

I gift the world with free energy technology, zero-point energy and advanced extended life for ALL humanity.

I demand a meeting with The Bilderberg Group immediately.

They will hand over The World Bank to be funneled back into We The People of The World.

I want to put together a team of the most intelligent people in the world, including, The Five Messiahs, I demand the best soldiers in the world as my personal service detail.

None of the less, thous people abducted should be well compensated.

All information regarding the "Visitors/Aliens/UFOs" and "Time Travel" will be released to The People Of The World in all languages ASAP to prepare them for OPEN, PUBLIC CONTACT with the Visitors.

I hereby found the first World Order known as The True World Order.

One with peace, love, compassion and understand for all life to thrive as the core of our endeavor to survive, together.

April 6, 2020

This is applicable to all Sentient Beings, Human, Robot and Extraterrestrial. Make it so.

This is the Timeline Accordance Declaration. This is a guild for the advancement of Humanity to create time laws in order to protect Humanities future from destruction and personal advantage.

Timeline Accordance Declaration Amendment 1

These laws are universal laws which are unavoidable.

Because we have the ability to time travel, something called "The Present Moment" must be established. "The Present Moment" is not just this moment we live in day to day, moment to moment, but an agreed upon time with society and the time traveler or observer in order to return to. This way no one is surprised to see a "ufo" because we know what they are. Time traveling ships.

A "Time Barricade" must be created. This will allow no access into The Present Moment from the past. Why must this be done? Because they have been using time travel for personal gains instead of the advancement of all Humanity and all sentient life throughout the Universe.

A new position must be created called the "Time Protector." A Time Protector must be one of absolute moral standing and moral character to protect Humanity as a whole from catastrophic events. The Time Protector will manage the timeline for only the advancement of Humanity and other sentient beings throughout the Universe.

Screen Shot from Project Camelot John Lear Tells All

AIDS/HIV was created as a population control by a Navy surgeon by the name of R.N. Donner. It was released in Africa intentionally as well as the Black, Mexican and gay population.

The cure to AIDS is Cucumber Trichosanthes Kirilowii. It is a cucumber that grows in China.

Lyme is also a population control created by a Nazi doctor in the 1950s at The Plum Island Laboratory on Plum Island, Long Island.

This Nazi doctor was very interested in ticks and a part of Operation Paperclip, which was taking Nazis and repurposing them in America. Plum Island is 8 miles off the coast of Lyme Connecticut.

If this is all true, which the evidence is too strong to ignore or deny, what about STDs? What about The Flu? What about Ebola?

What about the fluoride in our toothpaste and drinking water? It's making and keeping people dumb.

Realization Ryushin

I believe the reason why 9/11 happened was to cover up the paper trail leading to The Secret Space Force.

On 9/10 Rumsfeld exposed The Pentagon for missing 2.3 trillion resulting in 9/11 the very next day.

I believe the pentagon and world trade center 7 were the real targets to destroy the paper trail leading to the aliens and The Secret Space Force.

Why was The WTC built aligning to Orion's belt? If you haven't figured it out by now, the aliens come from Orion and The Elite have been worshipping them and working for them to keep us slaves.

(57) **ABSTRACT**

Physiological effects have been observed in a human subject in response to stimulation of the skin with weak electromagnetic fields that are pulsed with certain frequencies near 10 Hz or 2.4 Hz, such as to excite a sensory resonance. Many computer monitors and TV tubes, when displaying pulsed images, emit pulsed electromagnetic fields of sufficient amplitude to cause such excitation. It is therefore possible to manipulate the nervous system of a subject by pulsed images displayed on a nearby computer monitor or TV set. For the latter, the image pulsed may be embodied in the program material, or it may be overlaid by modulating a video stream, either as an RF signal or as a video signal. The image displayed on a computer monitor may be pulsed effectively by a simple computer program. For certain monitors, pulsed electromagnetic fields capable of exciting sensory resonances in nearby subjects may be generated even as the displayed images are pulsed with additional intensity.

A theory of the creation of our Universe.

Imagine emptiness... Now imagine a wormhole aperture appearing, then spilling out light and energy forming a large ball big enough to fit every star in the Universe in. I call it, 'The Whitehole.' Then when it has become too dense, it explodes, known as The Big Bang. I believe our Universe was born by a blackhole from a prior Universe in a Multiverse.

All I can do is examine the evidence and deliver it for you in order for you to ask yourself, is this true?
Be still and don't forget to breath.

From personal 5D work, so I have been shown, The Multiverse is actually inside something called The Vetroverse. The Vetroverse looks exactly like the Tree of Life pictured left. The Multiverse looks like an endless sea of balls sitting together in an illuminated and endless hall way.

The Multiverse looks like a hall of light containing an endless sea of ball that are universes.

The Veroverse contains The Multiverse

Our universe was created when a blackhole from a universe before became dense thus exploding and creating its own universe.

I knew they had time travel. Saint John was shown a possible future which did not happen. Saint John was from the 1500 hundreds. This alignment only occurs every 7000 years. How did Saint John know this alignment was going to happen? Time Travel. They took him and showed him a possible outcome.

Just Ignore This.
