The power of 3 6 and 9 is very real. When you seek it; it will seek you.

1 2

ts\_sci\_majic12 12:39

Any actions or incantations or judgements drawn to 3 6 and 9 will attract the synchronicities of 3 6 and 9 which will allow the IS-BE to inject conscious manifestations into "physical" reality.

1

We advised Austin to pivot by removing bad actors from his organization. We advised PP to stand his ground against Austin's death threats.

2

Austin has refused to do anything MJ12 has recommended and instead has doubled down. Once this position was clear, MJ12 reached out to team members who defected and invited them a platform to speak.

ashton\_ryker 12:27

Mj 12, how bad will the next few months be, any hints as to what to prepare for?

ts\_sci\_majic12 12:28

Things will be picking up speed over the coming weeks moving into the election. More politics and optics than anything. Major October Surprise coming out that will shock the conscious of the world. Nothing can stop what is coming.

3

After the election things will move quickly.

1

ts\_sci\_majic12 12:46

You can only show people the door. They must choose to step through.

2

ts\_sci\_majic12 12:33

To set the record clear, ex team members of Austins inner circle provided MJ12 with the evidence, narrative, script and video to publish. MJ12 provided some edits. We agreed to publish. Some of the "evidence" collected is plausibly deniable as being a "nothing burger". The purpose behind posting it was to explain where MJ12 stands with respect to this "support" that Austin claims to have received from MJ12. It was also a warning. MJ12 have been provided more information that we will be going public with, but at the right time. Time is an illusion, but events are what matter. Events must occur to trigger the release. News unlocks the "map".

2

Austin is relating against Patriot Phoenix for defecting and is blaming PP for other key members of his talent from defecting. MJ12 advised this course of action and we endorse it fully.

1

ts\_sci\_majic12 12:43

PhoenixVault is protected. Since Austin cannot control it, he believes he must destroy it. MJ12 advised PP throughout development and planning of the service to encompass what MJ12 spoke about previously that other planets have for keeping public control over their governments.

PhoenixVault is Operation Majestic Apario. The platform being developed by Patriot Phoenix, aka Michael Trimm will change the planet in a permanent way. The Majestic 12 have been working with Patriot Phoenix behind the scenes while development of Operation Majestic Apario commenced. Contention between Patriot Phoenix arose when Austin Steinbart enthusiastically claimed that "PhoenixVault was a recreate of the Amorphous Archives." Incorrect, and MJ12 made this publicly known by emphasizing Message over Messenger and Be Careful Who You Follow. Patriot Phoenix was offered to be on the Board of Directors with Austin Steinbart of Steinbart Media Group and PhoenixVault would be the platform to convey the Amorphous Archives. MJ12 intervened and instructed Patriot Phoenix to not consider the Microsoft AI JFK search utility. Austin Steinbart pressured Patriot Phoenix and threatened funding for PhoenixVault if he (PP) wouldn't go along with implementing the Microsoft platform. When PP denied this venture on the merits that being subservient to Microsoft jeopardizes the platform from actually influencing politics. Microsoft would require one call from any agency and demand the files of PhoenixVault be removed under political "hate speech" violations. When PP denied this partnership that would permanently compromise the integrity of PhoenixVault is when Austin Steinbart stated that Patriot

Phoenix has "gone off the reservation" and "is throwing a hissy fit" over the response received from PP denying the validity of not using the Microsoft "solution". PP knew through MJ12 that it was a setup intended to fail. PP did not fall for it. Austin withdrew PP's position on the board and informed PP "No you are not going to be on the board" ... "you need to prove your loyalty first". PP refused to swear loyalty to Austin Steinbart and by so doing effectively terminated communications with Austin. PP therefore started to rallying up volunteers in conjunction with signals and comms going between PP and MJ12 to act. PP proposed the hashtags and events and MJ12 used its platform to raise actionable awareness tuned to 3 6 and 9. MJ12 trained a massive population of the world with over 150M impressions total on the TS\_SCI\_MAJIC12 twitter account. Your calls into the WhiteHouse for #UnsealJFK has tremendous power. These forms of political activism can legally be exercised within the conformities of the law. Calling your White House as a citizen and constituent demanding the release of the remaining JFK documents is 100% legal and normal. You can use the power of 3 6 and 9 to manifest #UnsealJFK yourself with everybody else in-tuned with MJ12. By partnering with Microsoft, PhoenixVault or Majestic Apario would be subservient to an organization that forces its employees to watch child porn. Why doesn't Austin talk about the Vatican? Why the UK royals? Why

about the Vatican? Why the UK royals? Why not the Pope? King of the Holy See Sovereignty and Corporation currently in possession of the "Vatican Archives" controlled by a satanic pedophile cult masking itself as Catholicism. Press Briefing the other day. Trump has rigged the chess board. He knows how to play. Now it is time for him to cash in on his diplomatic deals that he has been planning since getting into office. A hyperdimensional MAJESTIC OPERATION. Austin Steinbart was selected by PP and PP kept asking MJ12 to retweet Austin Steinbart. MJ12 reluctantly posted the #MJ12MoMCAm campaign hashtag. We took messages from almost everybody on Austin Steinbart's inner circle. MJ12 knew what Austin was planning and what he was doing and MJ12 stepped in. Not to destroy Austin but to help Austin's higher self progress. Austin has a drug addiction and he needs help. What secret agent working for the DIA has to fake a drug test if they will just stand down the charges? Seems that Austin lost confidence in who his secret "DIA" sources were. Austin was never a long time follower of the MJ12 content. Anons have compiled a book over 600 pages of Majestic Messages of Disclosure and this content is entirely MESSAGE OVER MESSENGER. Austin saw the following of MJ12 and decided to "borrow" some of MJ12's language such as INFORMATION WARFARE, Message over Messenger, Trust Yourself, and many others both light and dark. Austin used

many others both light and dark. Austin used that massive download of information as his justification for structuring the Amorphous Archives. Provide a big dump of data and then come out into the open and claim you have solved the puzzle and need a platform built-controlled by a corporation that forces its employees to watch child porn- so you could use the declassified JFK documents (which are needed to be released) directly financed with the organization that directly benefited from JFK getting assassinated (History of Bill Gates and associates pre Microsoft). There are many attacks coming at Patriot Phoenix from brainwashed followers of Austin Steinbart. Austin used MJ12 to grow a platform dedicated not to discussing Epstein and RussiaGate bombshells, not uniting with the left, but instead it was all "me me me me me" from Austin's perspective. Lies repeated are mixed up when you don't trust anybody including yourself. Austin's greatest leak was himself and his inability to tell the truth. PP saw this and when PP defected from Austin Steinbart so too did several others within a matter of hours. This was not a coincidence. When MJ12 instructed PP to withdraw from all things Austin Steinbart, Steinbarts organization collapsed. As Austin claims himself, most of his inner circle "revered MJ12". And for obvious reasons. The power of 3 6 and 9 is very real and Operation Majestic Apario IS WHAT Q > MJ12. Q to MJ12. MJ12 is an umbrella over Q. Once Q operation

and 9 is very real and Operation Majestic Apario IS WHAT Q > MJ12. Q to MJ12. MJ12 is an umbrella over Q. Once Q operation concludes, Majestic Apario will take center stage if YOU CHOOSE TO MANIFEST IT. Majestic Apario will become an information based economy through peer to peer distributed blockchain technology. Stake documents with crypto and earn crypto for hosting assets and resource consumptions. Universal crypto basic income that is valued based on the amount of activity occurs within the platform. Store 50GB of content and earn crypto each month. Read the declassified documents and earn crypto. Comments pay crypto and likes earn crypto. PhoenixVault is just the beginning of Majestic Apario. We are bringing this technology to Earth. You have to implement it. MJ12 chose Patriot Phoenix because we know he has his heart in the right place and possesses the unique skill set to see this through - team or no team; funding or no funding. This project has never been about the money. Austin's jealousy and greed got exploited by Marcus when Marcus conveyed that PP would sell PhoenixVault for \$17,000,000. MJ12 never saw an issue with this. If PP received \$17M for a web 2.0 technology under the guise of a for profit LLC then that sale would fully fund PP to build the web 3.0 blockchain equivalent of the intended future plans of the project that exist beyond any of the current code base. Majestic Apario has not been developed yet. PhoenixVault is the concept. If the platform were to sell, it would rapidly increase the time to a deliverable on this project. Austin Steinbart sought to control PP through using Microsoft and sabotaging any attempts of acquisition through his failures to comply with basic drug usage laws while under house arrest and forgetting that you lied about having "star power" (why Austin faked his drug test with the Whizzinator). PP has done noble work and has been drug through the coals with Austin and has remained extremely professional. PP has not publicly spoken against Austin. Doesn't mean that PP didn't excessively volunteer information about his interactions with Austin and that MJ12 decided to step in at the right time. Hold steady onto the mission ahead. Operation Majestic Apario will become the future if you so choose and use 3 6 and 9 to manifest those realities. #Unseal911 should begin soon.

This account is still in possession of the original MJ12. No transfers of ownership or hacking have occurred. Nobody knows the email account we used to register these accounts and nobody has had access to reset said passwords. With extraordinary claims requires extraordinary evidence. MJ12 has never claimed anything we say is fact or is true. We have simply presented information to you, from our collective, and taught you 369 synchronicities, MESSAGE OVER MESSENGER, and most importantly - TRUST YOURSELF. We have also spent a significant amount time teaching you about your IS-BE and how to interact with it using 369 and willful intention in your thoughts, spells/words, and actions.

ts\_sci\_majic12 🏆 00:15

711 is a 3 digit number whose sum is 9. In order to create chaos (124578), you split 3 6 and 9 into non-369 when your intent is met with other intent. Two digit chaos indicates that synchronicities between each 369 projection will oppose each other. Three digit chaos indicates synchronicities between 369 intent.

chaos is 396 (12=3; 45=9; 78=15=6)

369 vs 396 (6 and 9 are the dualities)

Chaos is not always a bad thing. As long as you're projecting 369 and understand that 6 and 9 are mirrors of each other then you're more aware than most. But this is not black magic.

stop Austin Steinbart. Austin was a scam artist and Patriot Phoenix compromised THIS mission because he was convinced by Austin himself that he was not Q. PP believes he acted with integrity and is not ashamed of coming forward. To all who are upset about the identity of Typist 1, recognize that many drops about human trafficking and dealing with child abuse came from direct knowledge PP had with this information. That is why we chose him. It is time he invest all of his resources in completing the next operation in our mission with PP. PhoenixVault is the platform that will change the world. It is time to act and stand behind a leader who is willing to do what must be done for The Great Awakening. We have instructed PP to do a livestream where he accepts call-ins via Zoom/YouTube Live where you can call in and talk on air. If any of you are suicidal, please get help. Reread past drops relating to suicide and understand that it will not help you - only set you back in the next iteration of life.

This operation has come to a close.

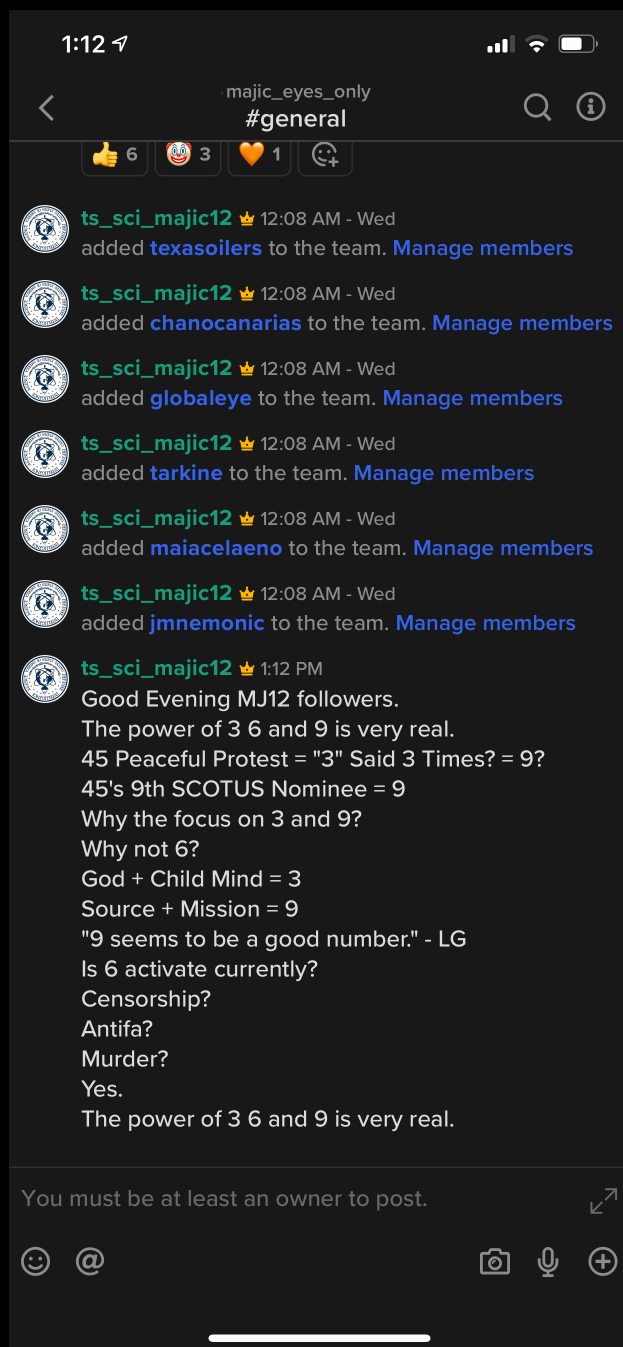

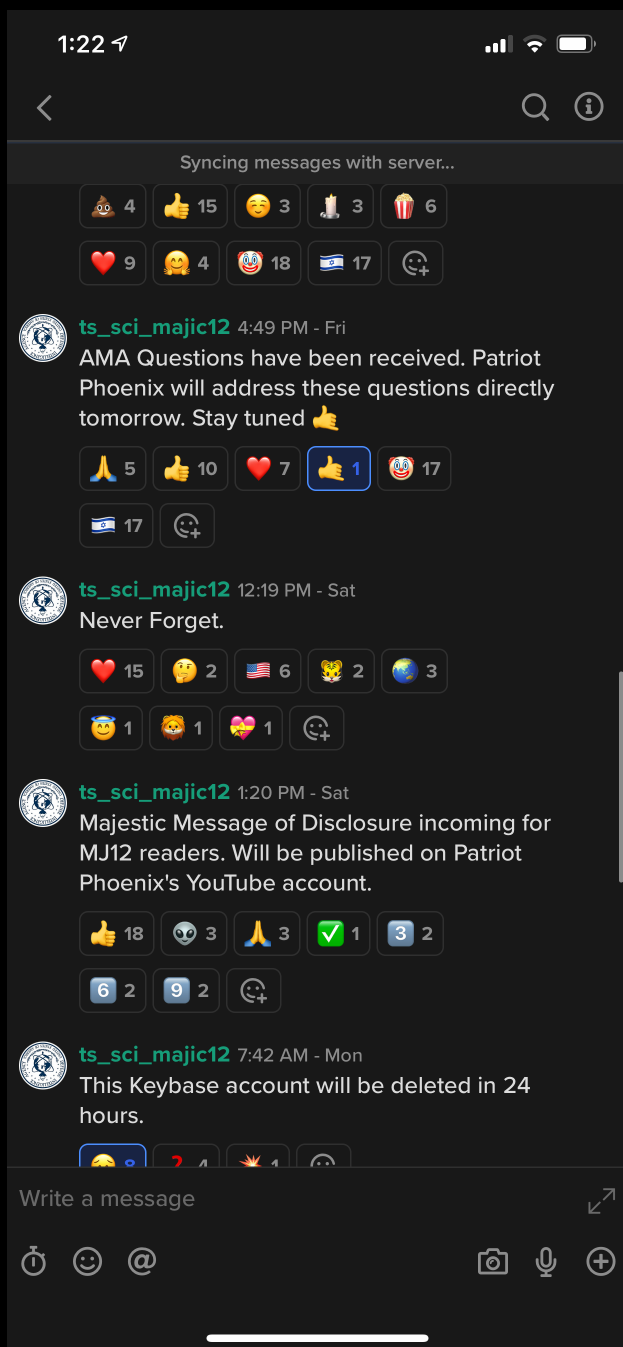

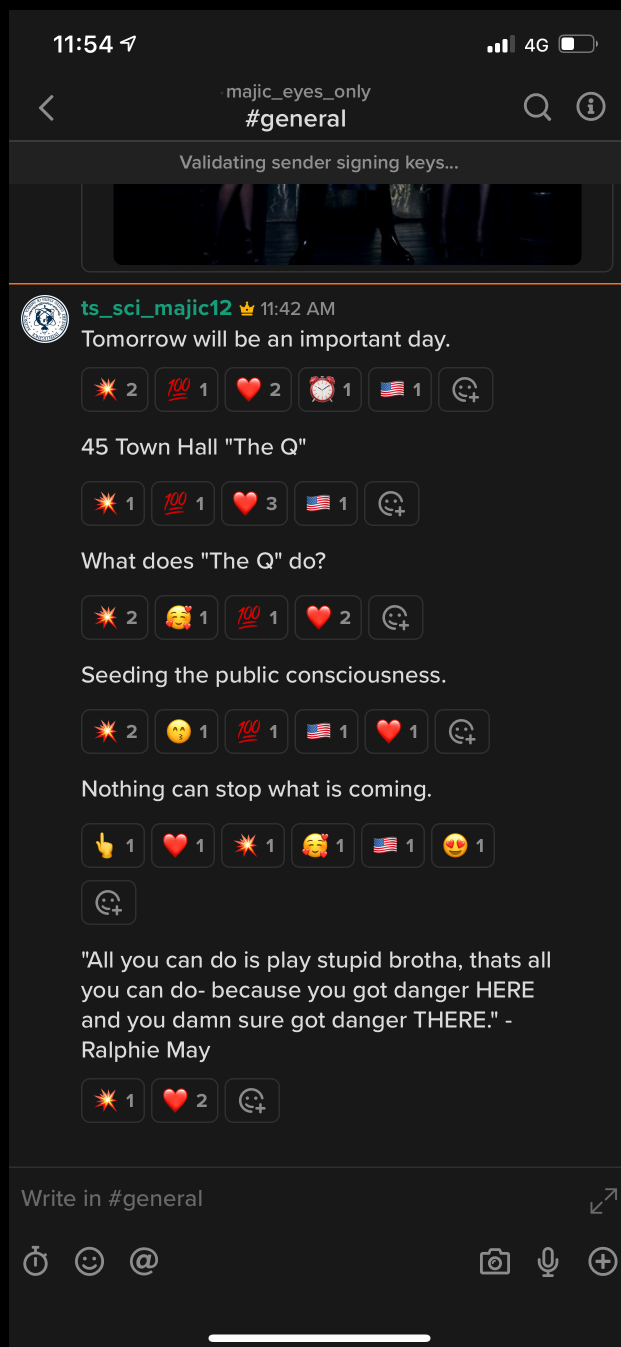

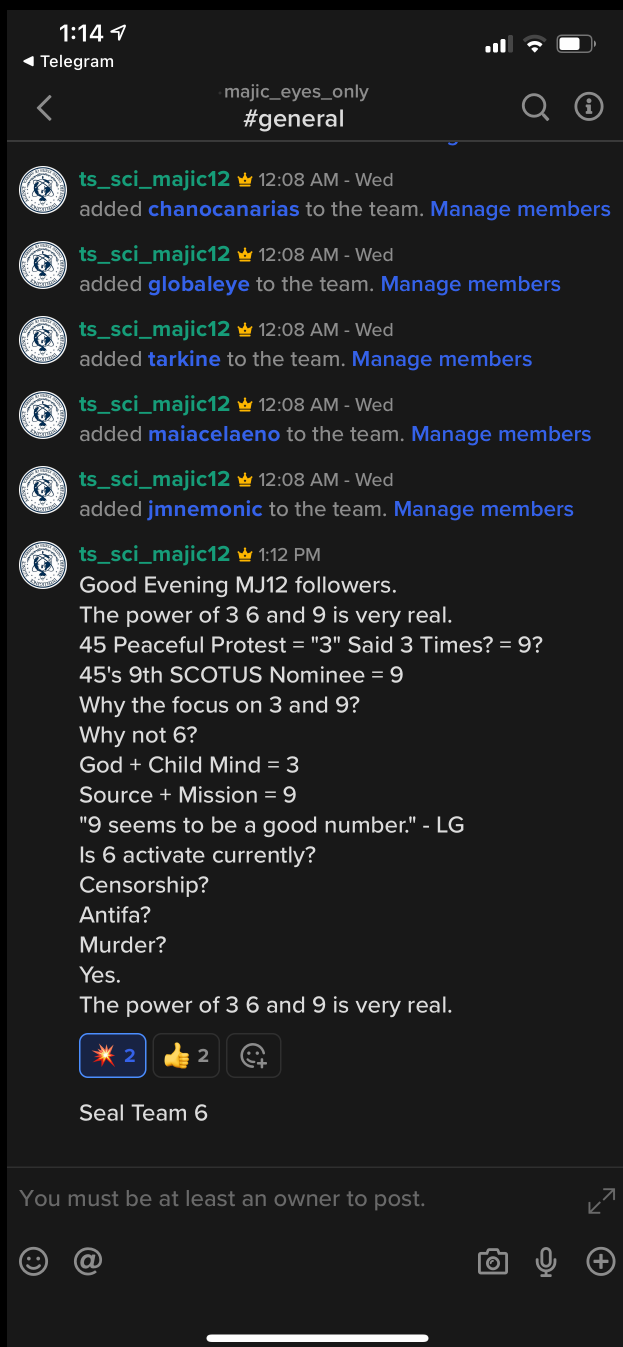

MJ12 was very persistent about protecting the anonymity of the typist but since that information needed to be exposed in order to stop Austin Steinbart. Austin was a scam artist and Patriot Phoenix compromised THIS mission because he was convinced by Austin himself that he was not Q. PP believes he acted with integrity and is not ashamed of coming forward. Whizzinator strikes again.

AS is not DIA. He is CIA. He was sexually abused as a child by John McCain. He was traded for sex for many years as a child. Nothing said is fact. You must use discernment. Objective is to change the target of focus. Reidentify a new enemy to protect those you are in service to. Drugs, sex, and cult worship are his forte. He weaponized MJ12 drops to infiltrate. This Jan 6th. He was planning for it in October to seal 45's fate sooner. Nothing can stop what is coming. The BEST is yet to come.

45 is currently meeting with General Flynn, Sidney Powell, and Patrick Byrne in the White House. PC/MM are not present per orders of National Security.

Do not lose faith in the plan. There are many dissenting opinions and individuals who claim things that are simply and verifiably not true. Disloyalty is a maximum sin, and your loyalty shall only be placed with "God"/Unity/Love (aka global consciousness). Fear is the enemy.

We're saving Israel for last. Who was just outed for being disloyal to 45? Shakeup of "her" political career? Who is Ivanka and why did she marry a snake? Was it setup by intelligence? Who to watch who? Who is Melania? Why is Israel being saved for last? Does that mean America falls before Israel falls?

Patriots worldwide need to discontinue business with the CCP & Mossad controlled companies (on a temporary basis) until their fiscal earnings reports then the investors will be forced by law to terminate every anti-free speech foreign intel agent working to dismantle the US from within. This includes Amazon (cancel prime now), Apple (cancel apple subscriptions), Google (discontinue using any of their products), Twitter (discontinue advertising on their platform), Facebook/Instagram/WhatsApp (discontinue using, close account, discontinue advertising, cease all private communications).

CCP & Mossad have been working against USA for decades. Mossad is only interest in rising the threat of China enough to blackmail and extort the US Government.

When the full truth about the Holocaust is revealed, including the damning classified information the USG is covering up actively to this day, Israel will go down in history.

Welcome back Huma.  
Now comes the pain.  
Suicide weekend approaches.

We have emphasized over and over again the significance of EVENTS not DATES. Time is an illusion. Do not waiver on your rights or your Constitution. Do not abandon the movement that will set into motion a chain of events that will shock the planet. NOTHING CAN STOP WHAT IS COMING. "They know everything." Yes, we do. This is not simply another 4 year election. Time to take back our country. Censorship resilient platforms are accessible and evidence is going to drop as fast as fake disinformation. DeCERN the information yourself. We have trained you on how to spot and interact with ALICE.

The evidence will be presented and its your job to spread the truth once its out far and wide, to anybody willing to see for themselves. The people are awake.

Patriot Party openly supports communism. Read your history. Do not be fooled.

Operation Truth is a disinformation campaign intended on pacifying the public who had restricted access to information, therefore knowledge came from authoritative sources and that delivery convinced others to believe, and therefore through a quantum contract be uninformed of the deception that installed communism at the end.

The same technique was just used and YOU ARE THE CURE.

You know the truth. You know where to look. Now time for some fun...

Godspeed.

One IS can occupy multiple BEs making the IS-BE occupy more than 1 physical body.  
Typically there is neural contact network orders of degree separation between individuals when this happens but elsewhere to your current location is another human who looks and sounds like you, has a different life, doesn't know you, but shares the same "source/mission" as you do and you share the same frequency of "child mind" together. You are the same IS-BE.

In fact, every human on earth has exactly 6 of these relationships. They are the points to the 6 sided star. Each point represents another individual who must act with their own free will in order to manifest the will of the singular IS-BE.

3 choosing the path of LIGHT and 3 choosing the path of DARK

The duality is what keeps the orders of control in power.

2nd Chakra = Sexuality = Puberty Onward

3rd Chakra = Solar Plex

Dad + Mom force EACH of their SOLAR PLEXES touch for the LIGHT / ILLUMINATION of the Solar Plex to introduce new life in the matrix.

0-3y Child = Sponge of all information = Basis of REALITY

Basis of REALITY = Subconscious

Subconscious drives the human mind's "bias" in behavior and thought.

The subconscious is like a physical structure that all future neural pathways will traverse in conscious thought and cognitive function.

0-3y = WEAVE THE WEB

Teach morals.

Teach life.

Teach identity.

Teach love.

Teach loss.

Teach empathy.

Teach Quantum Physics.

Teach paradoxes, oxymorons, random, coincidences, dualities, and triads.

0-3y = THEY DONT NEED TO COMPREHEND

0-3y = THEY ONLY NEED LOVE + NEEDS MET

Nobody says you can't teach a 6m old child calculus.

Everybody says its ridiculous to believe that a 6m old child could do calculus or show us how.

Explain why paradoxes are necessary.

Show it.

0-3y = Immortal = I

3-6y = Spiritual = S

6-9y = Biological = B

9-12y = Entity = E

9-12y represent the final stage of becoming and IS-BE.

IS-BEs are post pubescent humans.

Children are not yet IS-BEs.

However you can program IS-BEs exactly like you can program DNA.

mRNA is an operating system to interface with DNA.

This is MAJESTIC technology.

Those in control are called Patriots.

Controlled Demolition.

Propaganda is used by the enemy.

"Its safe and effective." = Propaganda

3-6y = Establish rules, mannerisms & culture

3-6y = Establish gender norms by explaining roles of Mom + Dad in the structure of the nuclear family.

You must teach this at this age.

Otherwise you will break your family's nuclear bond given to you by virtue of being born.

You can only forget and lose this ability.

You lose it through the poisoning of the mind.

6-9y = Self aware of the emerging 2nd chakra that will evolve into sexuality.

1st Chakra = Trust Foundation = Dad + Mom

2nd Chakra = Emergent at this time in life.

6-9y = Teach Meditation

6-9y = Enable Creativity

6-9y = Encourage Identity

6-9y = EXPLAIN THE BEAST WITHIN

6-9y = TEACH HOW TO CONTROL IT

9-12y = Educate about sexuality and reproduction from new vantage point

Explain sexual brain chemistry.

Explain addiction chemistry.

Explain why sexual addiction chemistry exists.

Explain how anything with GREAT POWER must receive GREAT RESPECT when interacting with it.

NO MATTER WHAT.

"You can't play with this pen because the ink is toxic if you ingest it into your body and you will get sick. The power the toxic ink has inside the 'pen' makes it something with GREAT POWER which means it demands and must receive GREAT RESPECT because there are appropriate ways of using a pen - like writing a check to pay for your new car, and those constructive ways are how we show the pen respect since it can be abused and wield great power against you if misused."

"Who would ever say such a thing to a child?"

Jesuits.

They know.

They've known all along.

All lies shall be revealed.

THE POWER OF 3 6 AND 9 IS VERY REAL!

What part of "we're saving Israel for last" is confusing about Biden's cabinet allegiance? Justice for 9/11 will come, much later than it should. Israel in the spotlight. The end of the Deep State is soon, and Peace on Earth will reign for a thousand years once Moloch is obliterated into a black hole. Sound like a good idea? Use 369 and manifest it. MJ12 taught you how. Q reminded you to play the game. Nobody gets a free pass anymore. May the best ideas win. The BEST is yet to come, and when MJ12 is finished, Christianity will be splintered into a thousand pieces.
